CASE-STUDY PANELS

Join these case-study talks that dive into how various works of film and television found success. From script-to-screen discussions detailing the process of taking an idea and turning it into a film - to deconstructing classics – to using a screenplay competition to launch your career - to the creative evolution of a project across a variety of mediums, there is no shortage of inspiration and knowledge in these sessions that can be used to create your own film or screenplay.
